ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Bristol Tennessee Housing and Redevelopment Authority has completed this Agency Plan in consultation with BTHRA residents and the local community. The Plan was discussed with the Resident Advisory Board on April 15, 2004, April 29, 2004 and May 13, 2004. The public was afforded an opportunity to review the Plan and offer comments at a public hearing held on June 17, 2004. The Annual Agency Plan is summarized as follows:

1. Housing Needs

The BTHRA's current waiting lists are excessive and the demand for public housing (271) and Section 8 (117) is evident. The greatest demand is for small bedroom units (1 and 2 bedroom units).

2. Financial Resources

The BTHRA expects to expend approximately \$3,081,000 in the year 2004 for operations, capital improvements and administrative costs.

3. Eligibility, Selection and Admission Policies

The BTHRA has revised their standard operating policies and Section 8 policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on March 29, 2000. These policies will continue to be updated as HUD issues further guidance.

As required under this section of the Plan and by regulations published in PIH Notice 2001-4, the BTHRA has reviewed its developments relative to income. The BTHRA has determined that they do not have a problem with concentration of high or low-income families. Further, the BTHRA has revised their admissions policies to assure that a concentration does not occur in the future.

4. Rent Determination-Discretionary Policy

The BTHRA's adopted discretionary rent policies include:

- ✓ Flat Rents
- ✓ \$0.00 minimum rent for Public Housing and Section 8.

5. Operations and Management

The BTHRA has developed a Practice and Procedures Manual, which includes all of our policies relating to public housing and Section 8 administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the mandated requirements of the QHWRA.

6. Grievance Procedure

The BTHRA has revised their Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

The BTHRA's projected funding under the Capital Fund Program is \$439,625. The focus for the 2004 program year is to install additional parking, perform waterline improvements, replace locksets/keys and expand the Hickory Lane Storage Building in Development TN066-001: install kitchen back splashes and replace

flooring in Development TN066-002 and repair windows and elevators in Development TN066-003.

8. Demolition and/or Disposition

The BTHRA has no current plans for demolition or disposition.

9. Designation

The BTHRA plans to maintain the current elderly/disabled designation that applies to a portion of their units. The BTHRA has no plans to designate additional units in the future.

10. Conversion of Public Housing

The BTHRA conducted an initial conversion assessment for each development as recently mandated by the QHWRA through regulations published in the Federal Register on June 22, 2001. This assessment determined that conversion would not be cost effective as identified in Attachment D: "Component 10 (B) Voluntary Conversion Initial Assessments". Therefore, the BTHRA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

The BTHRA has no current plans to develop a Homeownership Program. However, the BTHRA is studying the feasibility of initiating a Section 8 Homeownership Program.

12. Community Service and Self-Sufficiency Programs

The BTHRA offers and provides a variety of program and services to their residents to achieve self-sufficiency. These services and programs include the Welfare-to-Work Program and the TNCEP Program, which provides the elderly and disabled families with the tools needed to eat healthy, stay safe, improve personal hygiene, etc. Additionally, the BTHRA has adopted a policy relative to the community service requirement mandated by the QHWRA through regulations published in the Federal Register on March 29, 2000. A description of the BTHRA's community service requirement is shown in Attachment E: "Implementation of Public Housing Resident Community Service Requirement".

13. Safety and Crime Prevention

The BTHRA currently has police officers residing in each development and will continue to make various site and physical improvements to the developments to alleviate the safety concerns of our residents. Additionally, the BTHRA has a “one strike” and “zero tolerance” policy and performs strict screening of applicants.

14. Ownership of Pets

The BTHRA has a policy related to tenant-owned pets. This policy permits all BTHRA residents to own pets as mandated by the QHWRA through regulations published in the Federal Register on July 10, 2000 and is subject to compliance with specific requirements of BTHRA's pet lease, which is included as Attachment F: “Pet Policy.”

15. Civil Rights Certification

The BTHRA has included the required certification regarding Fair Housing and Civil Rights in this Plan.

16. Annual Audit

The BTHRA’s most recent audit is on file at the local HUD office in Knoxville, Tennessee and is available for review at the main office during normal business hours.

17. Asset Management

It is the goal of the BTHRA to manage their assets (physical properties, financial resources and manpower) as efficiently as possible to meet the intent of our Mission Statement.

Attachment A **“Deconcentration Policy”**

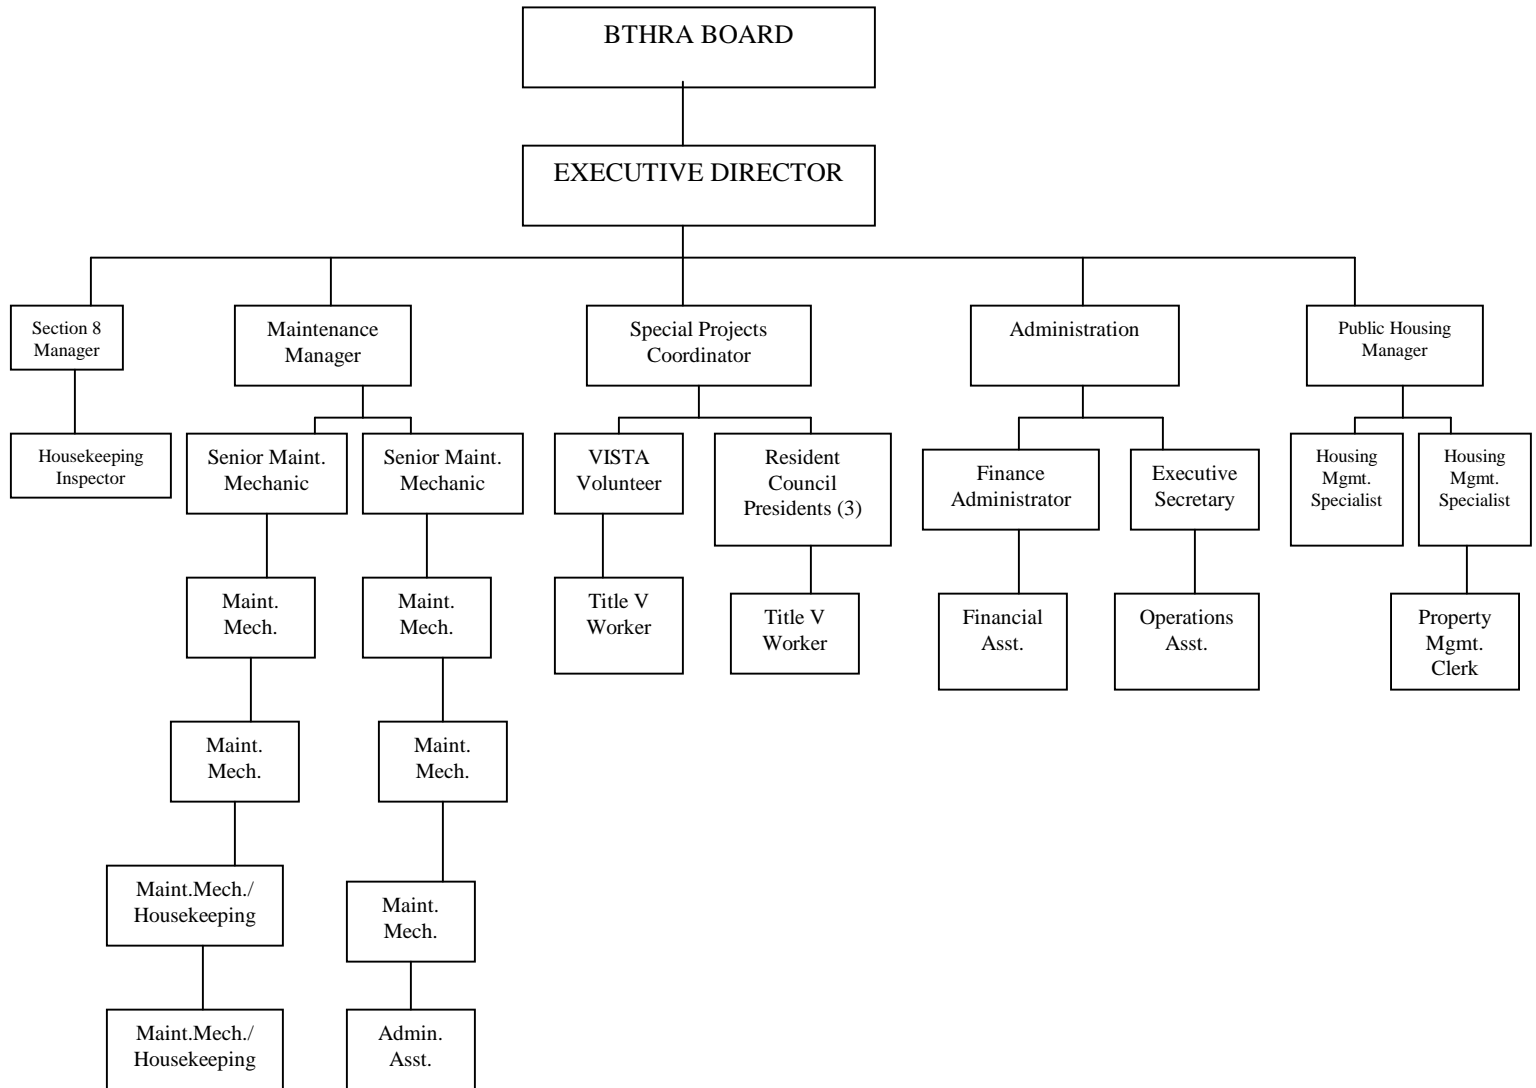

Deconcentration Policy

- (1) The objective of the Deconcentration Policy for the BTHRA is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The BTHRA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the BTHRA does not concentrate families with higher or lower income levels in any one development, the BTHRA will track the status of family income, by development, on a monthly basis utilizing income reports generated by the BTHRA’s computer system.
- (2) The BTHRA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.

Income Targeting

- (1) To accomplish the Deconcentration goals, the BTHRA will take the following actions:
 - (a) At the beginning of each fiscal year the BTHRA will establish a numerical goal for admission of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous fiscal year.
 - (b) The BTHRA will limit the number of admissions to ensure that not less than 40 percent of admissions are families with incomes at or below 30 percent of the area median income.
 - (c) The BTHRA will skip families on the waiting list or skip developments to accomplish these goals.
- (2) The BTHRA will not hold units vacant to accomplish these goals.

“Implementation of Public Housing Resident Community Service Requirement”

I. GENERAL INFORMATION

New Community Service Requirements

A. Background

The Quality Housing and Work Responsibility Act of 1998 (QHWRA) was signed into law by President Clinton on October 21, 1998. This ACT is sometimes called the Public Housing Reform Act and the final rules required by QHWRA were published in the Federal Register on March 29, 2000. 24 CFR-Subpart F, 960.00 lists the statutory requirements, which must be incorporated by local PHA/PHC, etc. into policy to meet Community Service activities.

B. What is Community Service?

Community Service is defined as the performance of work, or duties that are of public benefit and serve to improve the quality of life, to enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community Service is not employment and may not include political activities.

C. Who must comply?

The final rule requires **all** adult family members who do not qualify for a statutory exemption.

D. Who is exempt?

An **exempt** person is an adult family member who:

- (1) Is **62** years of age or older;
- (2) Is blind or disabled as defined under the current Social Security Act. Existing documentation will be acceptable as evidence of a disability and disabled persons will be permitted to **self-certify** as to whether they **cannot** perform community service provisions; or is a primary care giver to such above defined individual;
- (3) Is engaged in work activities;
- (4) Meets the requirements for being exempted under a State program funded under Part A of the Title IV of the Social Security Act (42 U.S.C. 601) or any other State Administered welfare program of the State in which the PHA is located, including a welfare-to-work program.
- (5) Is a family member receiving assistance, benefits of services under a State program funded under Part A of Title IV of the Social Security Act (42 U.S.C. 601, et seq.) or under any other welfare program of the State in which the Housing Authority is located.

E. What is the Annual Obligation?

Each adult family member who is not exempt must:

- (1) Contribute **8 hours per month (96 hours per year)** of Community Service.

F. What happens when someone does not comply?

The lease specifies that it shall be renewed automatically unless the family fails to comply with the community service requirement. Violation of the service requirement is grounds for non-renewal of the lease at the end of the 12-month lease term, but not for the termination of tenancy during the course of the 12-month lease term prior to the re-certification process.

In addition, each family member who fails to complete their entire obligation shall be given the opportunity to develop a plan with PHA approval to perform these non-compliant hours in addition to their regularly obligated 96 hours in the second year of residency. At the end of the second year, if all outstanding obligated hours of Community Service are not met, the PHA may commence eviction proceedings.

G. When does the Community Service Requirements start?

All PHAs and residents must comply with the requirements of Subpart F beginning with a PHAs fiscal year that begins on or after October 1, 2000.

H. How does the PHA administer the program?

The PHA may administer qualifying Community Service activities directly through its own staff or through a third party community entity that has an agreement with the PHA.

I. PHA Responsibilities to its residents.

- (1) The PHA must develop a policy that describes how it will determine which family members are subject to or exempt from performing the service requirement and the process for verifying changes to existing status.
- (2) The PHA must provide every family a written description of the service requirement and the process for claiming status. The PHA must also notify each adult family member of its initial determination of exempt and non-exempt status.
- (3) The PHA must review family compliance with the service requirements and must verify such compliance annually at least thirty (30) days before the renewal of the lease (Annual Re-Certification).
- (4) The PHA must retain reasonable documentation of service requirement performance or exemption in the resident's file.

II. PROGRAM ADMINISTRATION

The Bristol Tennessee Housing and Redevelopment Authority's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer the program; to identify PHA and/or third party certification opportunities available to eligible work activities with fair and equitable actions.

A. PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each adult member's status regarding Community Service per the following guidelines:

- a. An **exempt** person is an adult family member who:
 - 1. Is **62** years of age or older;
 - 2. Is blind or disabled as defined under the current Social Security Act. Existing documentation will be acceptable as evidence of a disability and disabled person will be permitted to **self-certify** as to whether they **cannot** perform Community Service provisions; or is a primary care giver to such above defined individual;
 - 3. Is engaged in work activities;
 - 4. Meets the requirements for being exempted under a State Program funded under Part A of the Title IV Social Security Act (42 U.S.C. 601) or any other State administered welfare program of the State in which the PHA is located, including a welfare-to-work program.
 - 5. Us a family member receiving assistance benefits or services under a State Program funded under Part A of Title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the Housing Authority is located.
- b. As family status is determined, a letter or other certifiable document of receipt will be sent to each adult member of that family notifying them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re -certification time). Evidence of service performance and/or exemption must be maintained in each participant file.

d. Notice of Non-compliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but has violated the family's obligation (a non-compliant resident) the Authority must notify the specific family member of this determination.

The Notice of Non-compliance must:

- 1. Briefly describe the non-compliance (inadequate number of hours).

2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other non-compliant adult family member enters into a written agreement with the Authority to cure the non-compliance and in fact performs the exact terms of the agreement.

Or

The family provides written assurance satisfactory to the PHA that the resident or other non-compliant adult family member no longer resides in the unit.

This Notice of Non-compliance must also state the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a non-compliance determination.

- e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement non-compliance by the resident and any other adult family member must:

2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

- f. The Bristol Tennessee Housing and Redevelopment Authority has developed the following list of agencies certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

The Authority has identified the following PHA certifiable activities, which are available to meet the requirements:

- f. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations must be provided by a statement/bill from the veterinarian or staff of the humane society.
- g. All pets must be housed within the unit and no facilities can be constructed outside the unit for any pet. No pet shall be permitted to be loose and if the pet is taken outside the dwelling unit, it must be taken outside on a leash and kept off other Tenants' lawns. Pets may not be enclosed, chained or tied outside the unit or to the porch or railings. No pets other than those owned by the Tenant are permitted on the BTHRA premises and Tenants shall not engage in "pet-sitting".
- h. All authorized pets must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered under the control of an adult. Pets, which are unleashed, or leashed and unattended, on BTHRA property, will be impounded and taken to the local animal shelter. It shall be the responsibility of the Tenant to reclaim the pet and at the expense of the Tenant. Also, if a member of the BTHRA staff has to take a pet to the animal shelter, the Tenant will be charged \$50.00 to cover the expense of taking the pet to the animal shelter. If the animal shelter charges a fee to accept a pet, that expense will also be charged to the Tenant.
- i. Pets may not be left unattended for more than twenty-four (24) consecutive hours. If it is reported to BTHRA staff that a pet has been left unattended for more than a twenty-four (24) hour period, BTHRA staff may enter the unit and remove the pet and transfer the pet to the animal shelter. Any expense to remove the pet from any facility will be the responsibility of the Tenant.
- j. All authorized pets must be kept in a nutritional, clean and sanitary manner. The Tenant will be responsible for the proper care of the pet such as nutrition, grooming, exercise, flea control and routine veterinary care. The Tenant will also be responsible for keeping the inside and outside of the dwelling unit clean and free of pet odors, insect infestation and waste and maintain the unit in a sanitary condition. If it becomes necessary for the BTHRA to rid the unit of pest infestation (fleas, ticks, etc.) or clean, deodorize and sanitize the unit as necessitated by the presence of a pet, the Tenant will be charged for the actual expenditures associated with BTHRA performing these services.

- k. In the event of the pet's death, the Tenant will be responsible for the disposing of the pet's remains according to local health regulations. Any expense to dispose of the pet's remains will be the responsibility of the Tenant.

NOTE:

Any pet that is not fully grown may be measured, periodically, to determine if the pet meets the height requirements. Also, any pet that exceeds the height limit at any time during occupancy will not be an eligible pet and must be removed from BTHRA property.

2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of to avoid any unpleasant and unsanitary odor from being in the unit. Any damage caused by a pet to the inside or outside of the dwelling unit or to BTHRA property will be the sole responsibility of the Tenant.
3. Prohibited Animals: Animals that are considered vicious and/or intimidating will not be allowed as pets. Some examples of animals that have a reputation of a vicious nature are: reptiles, rodents, birds of prey, Rottweilers, Doberman Pinschers, Pit Bulldogs, Chows, and/or any animal that displays vicious behavior. This determination will be made by a BTHRA representative prior to the execution of this lease addendum.
4. A pet shall not disturb, interfere or diminish the peaceful enjoyment of other Tenants. The terms, "disturb, interfere or diminish" shall include, but are not limited to barking, howling, chirping, biting, scratching, and other like activities. The BTHRA has the right to terminate this authorization if a pet disturbs other Tenants under this section of the lease addendum.

If the pet should become destructive, create a nuisance, represent a threat to the safety and security of other people, or create a problem in the area of cleanliness and sanitation, then a BTHRA representative will notify the Tenant, in writing, that the pet must be removed from the premises. The written notice will contain the date by which the pet must be removed and that date must be complied with by the Tenant. The Tenant has the right to request a grievance hearing in accordance with Bristol Tennessee Housing and Redevelopment Authority's grievance procedure. However, if the termination is due to a threat to the safety and security of others, the pet must be removed immediately until the hearing process is completed.

5. The Tenant will not walk or exercise a pet anywhere inside the Edgemont Towers and/or Fort Shelby Towers buildings and will exercise the pet only in areas on the BTHRA's grounds that are marked as an "exercise area". The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling unit and on grounds of the BTHRA's public housing developments. If the pet is taken outside the dwelling unit, it must be on a leash at all times. If there is any visible waste by the pet, it must be disposed of in a plastic bag, securely tied and placed in the garbage. If BTHRA staff is required to clean any waste left by a pet, the Tenant will be charged \$25.00 for the removal of the waste.
6. The Tenant shall have the pet restrained so that maintenance can be performed in the unit. Whenever an inspection, pest exterminating service call or maintenance is scheduled, the Tenant shall either be at home or shall have the pet restrained or caged. If a maintenance person enters a unit where a pet is not restrained, maintenance will not be performed and the Tenant shall be charged a fee of \$25.00. If this same situation occurs again, this authorization may be terminated. The Bristol Tennessee Housing and Redevelopment Authority will not be responsible for any pet, which escapes from the unit due to maintenance, inspections or other activities of the BTHRA, provided proper notice has been given by the BTHRA. When a Tenant requests service via a work order that will be considered proper notice. In the case of a maintenance emergency that prevents advance notice, the BTHRA will not be responsible for the escape of any pet from the unit.
7. Authorization of a pet will be subject to the following Security Deposit Schedule. The entire deposit must be paid prior to the execution of the lease addendum. NO PET SHALL BE ALLOWED IN THE UNIT PRIOR TO THE COMPLETION OF THE TERMS OF THIS PET POLICY. IT SHALL BE A SERIOUS VIOLATION OF THE LEASE FOR ANY TENANT TO HAVE A PET WITHOUT PROPER APPROVAL AND WITHOUT HAVING COMPLIED WITH THE TERMS OF THIS POLICY.

RESIDENT ACKNOWLEDGEMENT

After reading and/or having had this lease addendum read to me, I _____
agree to the following:

I agree to abide by the requirements outlined in this addendum for pet ownership and to keep the pet in accordance with the lease addendum.

I am liable for any damage or injury whatsoever caused by the pet and shall pay the Bristol Tennessee Housing and Redevelopment Authority or other applicable party for any damages or injury caused by the pet. I also realize that I should obtain liability insurance for pet ownership and that paying for the insurance is my responsibility.

I agree to accept full responsibility and will not hold liable (indemnify) the Bristol Tennessee Housing and Redevelopment Authority for any claims by or injuries to third parties or their property caused by my pet.

I agree to pay a refundable pet deposit of \$100.00 to the Bristol Tennessee Housing and Redevelopment Authority and understand that the deposit is due and payable prior to the execution of this lease addendum. I also understand and agree that the pet deposit may be used by the Bristol Tennessee Housing and Redevelopment Authority at the termination of the lease toward payment of any rent or toward payment of any other costs made necessary because of Tenant's occupancy of the premises. Otherwise, the pet deposit, or any balance remaining, will be returned to the Tenant after the premises are vacated and all keys have been returned. I understand and agree that I am not entitled to any interest on my deposit.

I agree and understand that violating the lease addendum will result in the removal of the pet from the property of the Bristol Tennessee Housing and Redevelopment Authority, and that I may not be allowed to own any type of pet in the future while being a resident of the Bristol Tennessee Housing and Redevelopment Authority.

“Resident Survey Action Plan”

Communications (70%)

The Bristol Tennessee Housing and Redevelopment Authority has restructured the Property Management Department to incorporate Case Managers. In the past, all of our re-certification process was conducted by mail. The present re-certification process includes an interview with each resident (at the office or at their home if circumstances warrant) in order to complete the re-certification process. This interview allows plenty of opportunity for communication as well as allowing the staff to get to know our families. This contact is especially important for the family unit residents because they are in scattered site locations and most communication with them is through written memos. Both ten-story high-rises allow the BTHRA to make announcements that can be heard on all floors. Additionally, the BTHRA staff meets regularly with the Resident Council to share information to further the communication efforts.

Safety (80%)

The BTHRA has installed additional security cameras and lobby security booths in both of our high-rises. Based on comments received from several residents, the presence of the security personnel deters strangers from loitering that had been one of their greatest concerns. The additional cameras have also reduced the number of BTHRA property damage incidents as well as incidents of vandalism. The BTHRA has a police officer in residence in both high-rises and two police officers in residence in the family unit project. The presence of the police officers is a positive addition that reinforces the resident’s feeling of being “safe” in their home. The police officers that live in the family community frequently walk, jog or patrol their neighborhood and are active participants in BTHRA’s good neighbor policy. Their presence has helped and will continue to help fight any gang and drug activity in our community.

Neighborhood Appearance (80%)

The BTHRA has and will continue to appropriate Capital Funds for performing various improvements to enhance the neighborhood appearance of their developments. Such improvements include landscaping, balcony repairs, replacing windows, gutter replacement and exterior painting.

“Statement of Progress in Meeting the 5-Year Plan Mission and Goals”

Goal – Apply for additional rental vouchers: The Bristol Tennessee Housing and Redevelopment Authority, (BTHRA) has applied for additional Section 8 vouchers to expand the supply of housing within its jurisdiction. To date, the Authority has received an additional 40 vouchers.

Goal – Reduce public housing vacancies: The BTHRA is currently working on reducing the turnover time for vacated public housing units to lower the vacancy rate of the units as well as improve the PHA’s Management Indicator.

Goal – Leverage private or other public funds to create additional housing opportunities: The BTHRA is studying the feasibility to leverage private or other public funds to create additional housing opportunities for its residents.

Goal – Acquire or build units or development: The BTHRA is studying the feasibility of acquiring or building additional units of low-income housing. By utilizing Low Income Housing Tax Credits and below market loans through the Federal Home Loan Bank’s Affordable Housing Program, the BTHRA may expand the supply of affordable housing throughout the area without traditional HUD assistance.

Goal – Improve public housing management: The BTHRA is currently in the process of improving various operational, management and maintenance functions in an effort to improve their overall PHAS score.

Goal – Improve voucher management: The BTHRA is currently in the process of improving voucher management functions such as lease up of Section 8 units to improve their SEMAP score.

Goal – Increase customer satisfaction: The BTHRA is attempting to keep residents better informed of BTHRA policies and programs as well as overall Authority information through their active VISTA program and monthly meetings for the residents. Additionally, the BTHRA has established Resident Councils at Fort Shelby and the Family Units to further increase customer satisfaction.

Goal – Concentrate on efforts to improve specific management functions: The BTHRA is currently in the process of improving vacant unit turn around time and annual inspections of the dwelling units and system as recommended by HUD.

Goal – Renovate or modernize public housing units: The BTHRA has continually upgraded its public housing units through the Comprehensive Grant Program and continues to do so through the Capital Funds Program. All modernization activities are addressed in accordance with need as well as residents’ requests in all developments.

Goal – Provide voucher mobility and counseling: The BTHRA is currently providing voucher mobility counseling by conducting briefings with potential landlords and tenants as to the location of units outside areas of poverty or minority concentration.

Goal – Conduct outreach efforts to potential voucher landlords: The BTHRA is currently conducting outreach efforts to potential voucher landlords through their Section 8 Program. The outreach effort consists of contacting the potential landlords by telephone and/or mailings notifying them of the availability of voucher recipients.

Goal – Increase voucher payment standards: The BTHRA has increased the voucher payment standards of the Authority's Section 8 Program. The payment standard as identified in the Section 8 Administrative Plan is at 110% of FMR. This payment standard was chosen since FMR's are not adequate to ensure success among assisted families in BTHRA's segment of the FMR area and to increase housing options for families.

Goal – Implement public housing security improvements: The BTHRA currently has police officers residing in each development and will continue to make various site and physical improvements to the developments to alleviate the safety concerns of our residents. Additionally, the BTHRA has a "one strike" and "zero tolerance" policy and performs strict screening of applicants.

Goal – Increase the number and percentage of employed persons in assisted families: Under the Authority's ACOP, the BTHRA has adopted rent policies to support and encourage work. These rent policies include "flat rents", which are an incentive for families to work without the burden of paying high rents.

Goal – Provide or attract supportive services to improve assistance recipients' employability: The BTHRA offers and provides a variety of services and programs to their residents to achieve self-sufficiency and improve assistance recipients' employability. These services and programs include the Welfare to Work Program, the VISTA Program as well as referrals to local non-profit agencies providing supportive services.

Goal – Provide or attract supportive services to increase independence for the elderly or families with disabilities: The BTHRA currently has a TNCEP Program which provides the elderly and disabled families with the tools they need to eat healthy, stay safe, personal hygiene, etc.

Goal – Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability: The BTHRA continues to operate its public housing program and Section 8 programs to ensure equal access to all regardless of race, color, religion, national origin, sex familial status, and disability.

Goal – Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status, and disability: The BTHRA's operations and management, inspections, maintenance and modernization programs are spread equally among all developments.
